### 25<sup>th</sup> Annual National Night Out another success

In celebration of the fight against crime, the San Gabriel Police Department held its 25th annual National Night Out. A new Mission District tradition now in its third year, this year's National Night Out featured appearances by several City departments. Residents and community members also had the opportunity to enjoy a free hamburger, hot dog or drink and mingle with their local police department to learn more about the men and women who serve the community.

A special "thank you" to all those in the community who joined in on San Gabriel's National Night Out and to all the city staff who participated in another successful event. If you like to schedule a block party and have Fire & Police join contact the Community Engagement Bureau at 626-451-5452 or 626-451-5455.
